

Tutorial Services

1. Log into your myLewis portal account.
2. Go to Academics and click on the WOnline icon.
(Please Note: If you already had an account, but it was not created with your LewisU.edu email, or if you have never registered for a WOnline account, you will need to register using your LewisU.edu email.)
3. Select the current semester "... Tutoring Schedule by Course".
4. Click the drop-down arrow next to "limit to" and select the course you would like help on.
5. Select the time period that you would like for your appointment.
6. Fill in the information needed within the pop-up box and click "create appointment".
7. Tutoring will take place in LR-343, 3rd floor of the LRC building.
