

MANDATORY SEXUAL VIOLENCE PREVENTION EDUCATION

FALL 2026

What?

All Lewis students are required to complete **annual** sexual violence prevention education.

These courses are asynchronous, and students can complete at their own pace. They cover topics such as: bystander intervention, consent, coercion, healthy and unhealthy relationships, sexual harassment, stalking, and reporting options on & off campus.

These courses contain 2 modules. Part 1 takes 60-75 minutes to complete. Part 2 opens 20 days after completing Part 1, and consists of a follow-up survey that takes 5-10 minutes to complete.

Who?

All registered students are required to complete this education. Yes, all students, including undergraduate, graduate, commuter, online, and adult students

This is an annual education requirement. You may have completed a course in Spring 2026, but are now required to take another course for the 2026-27 academic year

Troubleshooting

If you are having trouble completing your course, please follow the Troubleshooting Tips on the [Vector support hub](#), or [complete a support ticket](#) for further assistance.

Why?

At Lewis, we are committed to our students' success and wellbeing. Being a member of the Lewis University community means being an active participant in our Sanctified Zone. Completing these modules will provide students with opportunities to impact the lives of their peers in positive and caring ways.

Annual Sexual Assault Prevention Education is required through IL Prevention Sexual Violence in Higher Education Act, The Violence Against Women Act (VAWA), the Clery Act, and the Campus SaVE Act.
